No 7517

Sir,

Supplemental estimate for constructing silk pattern drain in Fort Area, Kolar Town

Adverting to Government Order No L 2503-5/ 1 50-41-4 dated 23-9-41 sanctioning an estimate for Rs 3430 for constructing drains near Head Master's quarters at Kolar town, the cost being met out of Town Improvement Grants for the 1941-42, I have the honour to state that due to low tender and omission of certain unnecessary lengths found after inspection, the work was completed with an outlay of Rs 1575, resulting in a savings of Rs 1855 in the estimate

In his letter No 845 dated 29-12-42, while stating the above facts the Sanitary Engineer intimates that there are still in the Neighbourhood some very insanitary drains and all the sullage water is soking into the ground He has sent an estimate for Rs 1854/- to be met out of the savings in the above estimate The estimate and plan received from the Sanitary Engineer together with a copy of his letter referred to above are enclosed

I request you to be so good as to obtain and convey sanction of Government to the estimate, the cost being met out of the savings in the estimate of Rs 3430 sanctioned in the G O of 23-9-1941

I have the honour to be,
Sir,
Your most obedient servant,

Director of Public Health

3 Rules with a draft G.O for orders
2 may be approved, as in the previous estimate as for the savings of the original estimate

The amount passed is proposed to be charged to improvements. May be approved
